What'll I Do?

Gone is the romance that was so divine. 'Tis broken and cannot be mended. You must go your way and I must go mine, but now that our love dreams have ended: (ended:) What'll I do when you are far away and I am blue, what'll I do? What'll I do when I am wond'ring who is kissing you, what'll I do? What'll I do with just a photograph to tell my troubles to? When I'm alone with only dreams of you that won't come true, what'll I do? Here I am waiting as you walk away. My heart is begging you stay. (Won't you stay?) What'll I do, what will I do when I know you have gone away, away?
